We want to invite you on this incredible journey impacting so many lives. Accessible only by boat, Campus by the Sea (CBS) is nestled in Gallagher's Cove near the center of Catalina Island "26 miles across the Sea." Campus by the Sea's accommodations are simple but comfortable. All cabins and tents do not have electric light or outlets. The cabins are furnished with a memory foam double bed mattress plus bunk beds with foam mattresses. Guest groups are expected to bring their own sleeping bag or bedding, pillows, flashlight, towels and toiletries. They have a centrally located Bathroom Pavilion: complete with lights, electrical outlets, flush toilets and hot showers. Register now, for this amazing opportunity to travel with others in the recovery community, plus experience a forum of speakers, workshops, and new friendships to help discover your own life journey.

Important Note!: Please be advised that the terrain is a bit rustic. Please reach out with any questions ASAP to catalinaconf@gmail.com or through our website.
